

Go to Norwalkps.org

Click on the “For Student” icon:

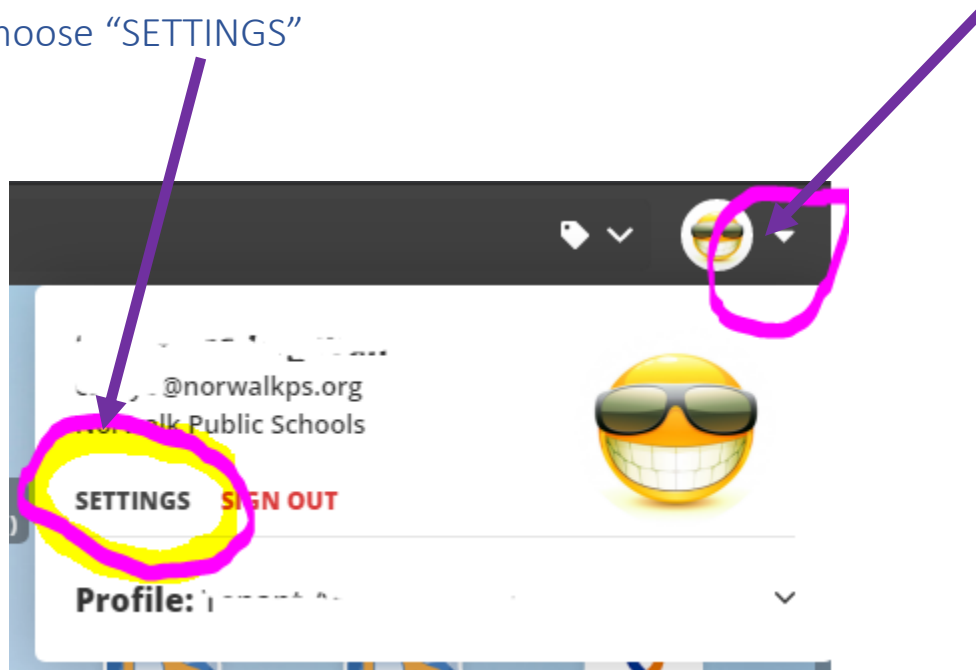

Click on the ClassLink image:

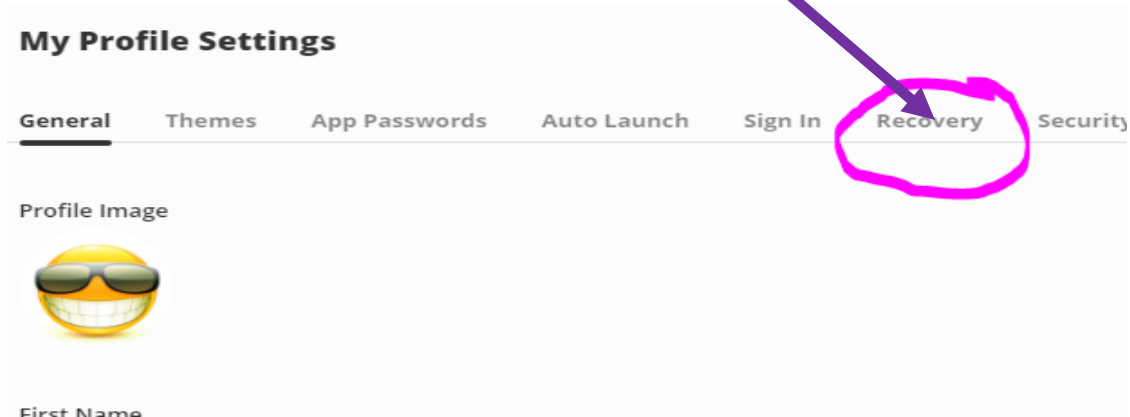

Log in with your Student ID (leave off @norwalkps.org)

Enter your CURRENT password

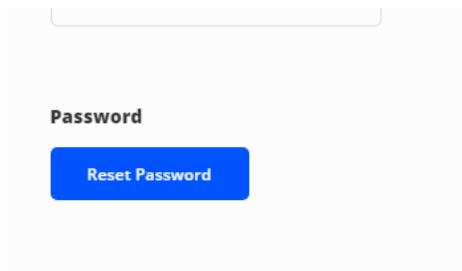

Once logged in – look to the top right of your dashboard screen and click on the “down” arrow; choose “SETTINGS”

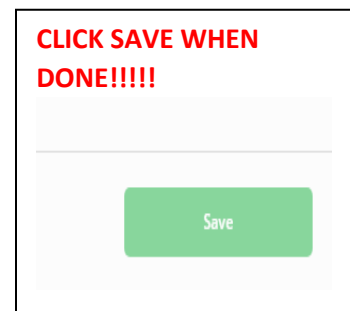

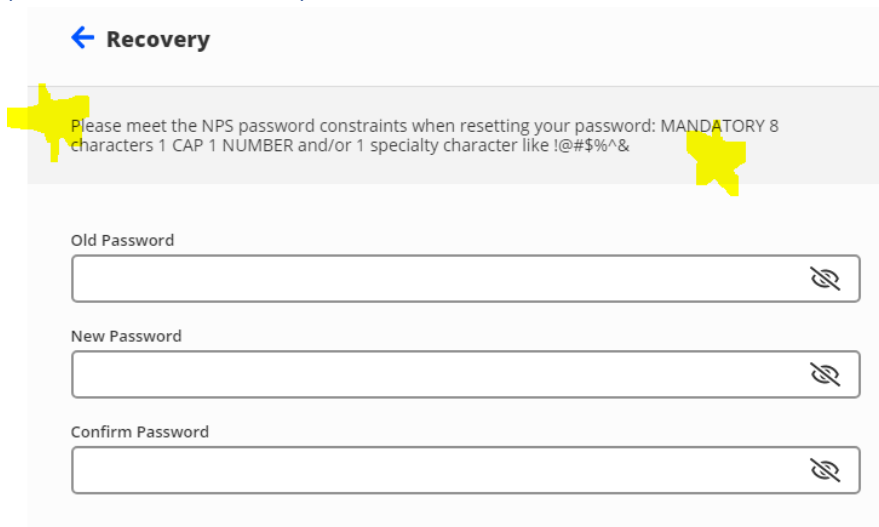

On the new “fly out” menu, click on “Recovery”

In the next window find the “Reset Password” option and click to open

Enter your existing Password; create a new, personalized password and confirm it – PLEASE NOTE the CONSTRAINTS in the Grey box at the top of this screen! You MUST meet these constraints to reset your password successfully –

*** All accounts that sync with your username (Student ID) will now be updated with your new password. PowerStudent/NPSGoogle/ClassLink/ NPS Device Log in, like your Chromebook
